

Generosity

Based on 2 Corinthians 9:8 & Luke 6:38

I declare that I am blessed and rejoice in blessing others.

I am generous with my time even during the busy seasons of life.

I am overflowing with happiness as I generously give to God and to others.

I am always actively looking to see who I can bless next.

I do not worry about running out, knowing that my God shall richly supply all my needs; therefore I am able to sow freely and liberally.

I give grace generously to myself and to those in my family.
I am generous with my love, patience and kindness.

Because I carry the DNA of my heavenly Father, and because He is generous, my DNA is infused with His generosity.

I have a unique ability to know when God is highlighting someone I should bless generously with time, money or another resource.

When others are generous towards me, I receive it with gladness.
